AHA
ADHD – AUGMENTED

**HADD
Ireland**

for people
affected by ADHD

Pilot project for developing the use of new technologies in education for children with ADHD (ADHD Augmented).

- I have read and understood the information leaflet for the AHA pilot study.
- I understand what the study is about and what my student's results will be used for.
- I have had time to consider whether to take part in the study.
- I understand that my student(s) and my personal information will not appear on any research data from this pilot study and there will be no audio/video recordings for this study.
- I am fully aware of all of the procedures involving my student(s) and of any risks and benefits associated with the study.
- I understand that my student's and my participation is voluntary (it is my free choice) and that I am free to withdraw from the research study at any time without disadvantage and without giving any reason.

Therefore, **I agree to take part in this research**
(please tick the box):

I hereby give my permission for the use of de-identified data collected from my student(s) and me and through the use of the AHA mobile app for the following purpose (please tick the relevant box or boxes you are agreeing to):

Publications and conference presentations:

Future research (subject to ethical review):

Sharing of data with third parties for research purposes only:

Have you used Augmented Reality applications for educational purposes?

Yes No

Name of teacher (in block letters):

School: _____

Signature:

Date:
